AQUA BALANCER
Less vibration while spinning

elante-EL

SPECIAL DETERGENT MIX CYCLE

Dissolve detergent with the water, take lesser time than conventional machine, pulsator starts functioning quickly and it gives better washing quality.

2-WAY MAGIC FILTER

While drum moves clock & anti clock wise- water also moves in the same direction which passes through filter, It has rubber wall in the middle and it collects lint from both the direction.

DOUBLE LAYERED LID

Double layered Lid – toughened glass lid edges completely covered by plastic body which is safe & durable, dual color makes more appealing.

360° WATER SHOWER

Its in the spin drum beneath the lid, 360 water shower gives better rinsing, Maximum extraction of detergent from the clothes.

*Applicable : elante 7.5Kg PL Variant

ANTI SKID BIG WHEELS

Anti Skid Big Wheels – while moving the machine, black part of wheels will rotate smoothly also because of big size wheels easy to move.

*Applicable : elante PL Variant

AQUA BALANCER

Aqua Balancer – To reduce vibration level, Lloyd has given aqua balancer with spin tub which balances the movement of spin tub in between balancer ring for better spinning & less vibration.

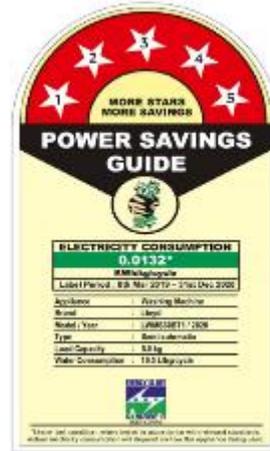

F-Shield

DURABLE MOTOR

F-Class insulation coating allows temperature to go up to 155 Degree centigrade which potentially increasing the life of the motor longer.

5 Star Rating

5 Star Rating
(BEE Approved)

BEE (Bureau of Energy Efficiency) has rated this machine with highest “5 star” rating. Consumes minimum energy and water with best wash performance

Memory Back up

Lloyd Washing Machines comes with Electro-Mechanical wash timer enables the machine to start the washing cycle exactly from where it had stopped after a power-cut.

Lloyd by Havells launches elante' series of washing machine

By Rajat Negi March 29, 2022

Published: March 30, 2022 12:25:40 pm

Havells इंडिया ने सेमी-ऑटोमैटिक वाशिंग मशीन Lloyd elante की एक पूरी नई रेंज पेश की है। कंपनी ने 7.5 किलोग्राम और 8.0 किलोग्राम दो वेरियंट को मार्केट में उतारा है। कंपनी का दावा है कि यह वॉशिंग मशीन अपने सेगमेंट की पहली ऐसी वॉशिंग मशीन है जिसमें डबल लेयर लिड है जो कि प्रीमियम टफ ग्लास से लैस है, जिसकी वजह से इसे मजबूती मिलती है। खास बात यह है कि Lloyd elante वाशिंग मशीन में वाइब्रेशन को कम करने के लिए एक्वा बैलेंसर दिया गया है जिसके साथ स्पिन टब भी है। लॉन्ड्री को साफ रखने के लिए इसमें शक्तिशाली फिल्ट्रेशन के लिए 2-वे मैजिक फिल्टर की सुविधा है।
